RE: Flanders/CSC Name Change

Dear Flanders Representatives and Distributors,

As many of you know, Flanders acquired CSC in 1996. It was always our intention to change the name but was never accomplished. Today, we are proud to announce that Flanders/CSC will be known as Flanders Containment Products (FCP).

This will be a rolling change with no specific time for completion. Unless a specific time-frame is established, all literature will be modified as standard revisions are needed.

The Flanders Containment Products product line will not be altered. Our sales personnel and supporting departments will continue to strive in providing the best containment products on the market.

Flanders is committed to supplying our customers with products that offer the best combination of performance, support and price. We appreciate your business and look forward to your continued support.

Feel free to contact your Regional Sales Manager or me for further discussion.

Sincerely,
Flanders Corporation

Flanders Corporation
